

A light blue world map is centered in the background. Overlaid on the map are several dark blue lines: a horizontal line at the top, a horizontal line at the bottom, and a series of parallel diagonal lines on the right side. In the center of the map, there is a dark blue graphic consisting of three horizontal bars of increasing length, stacked vertically.

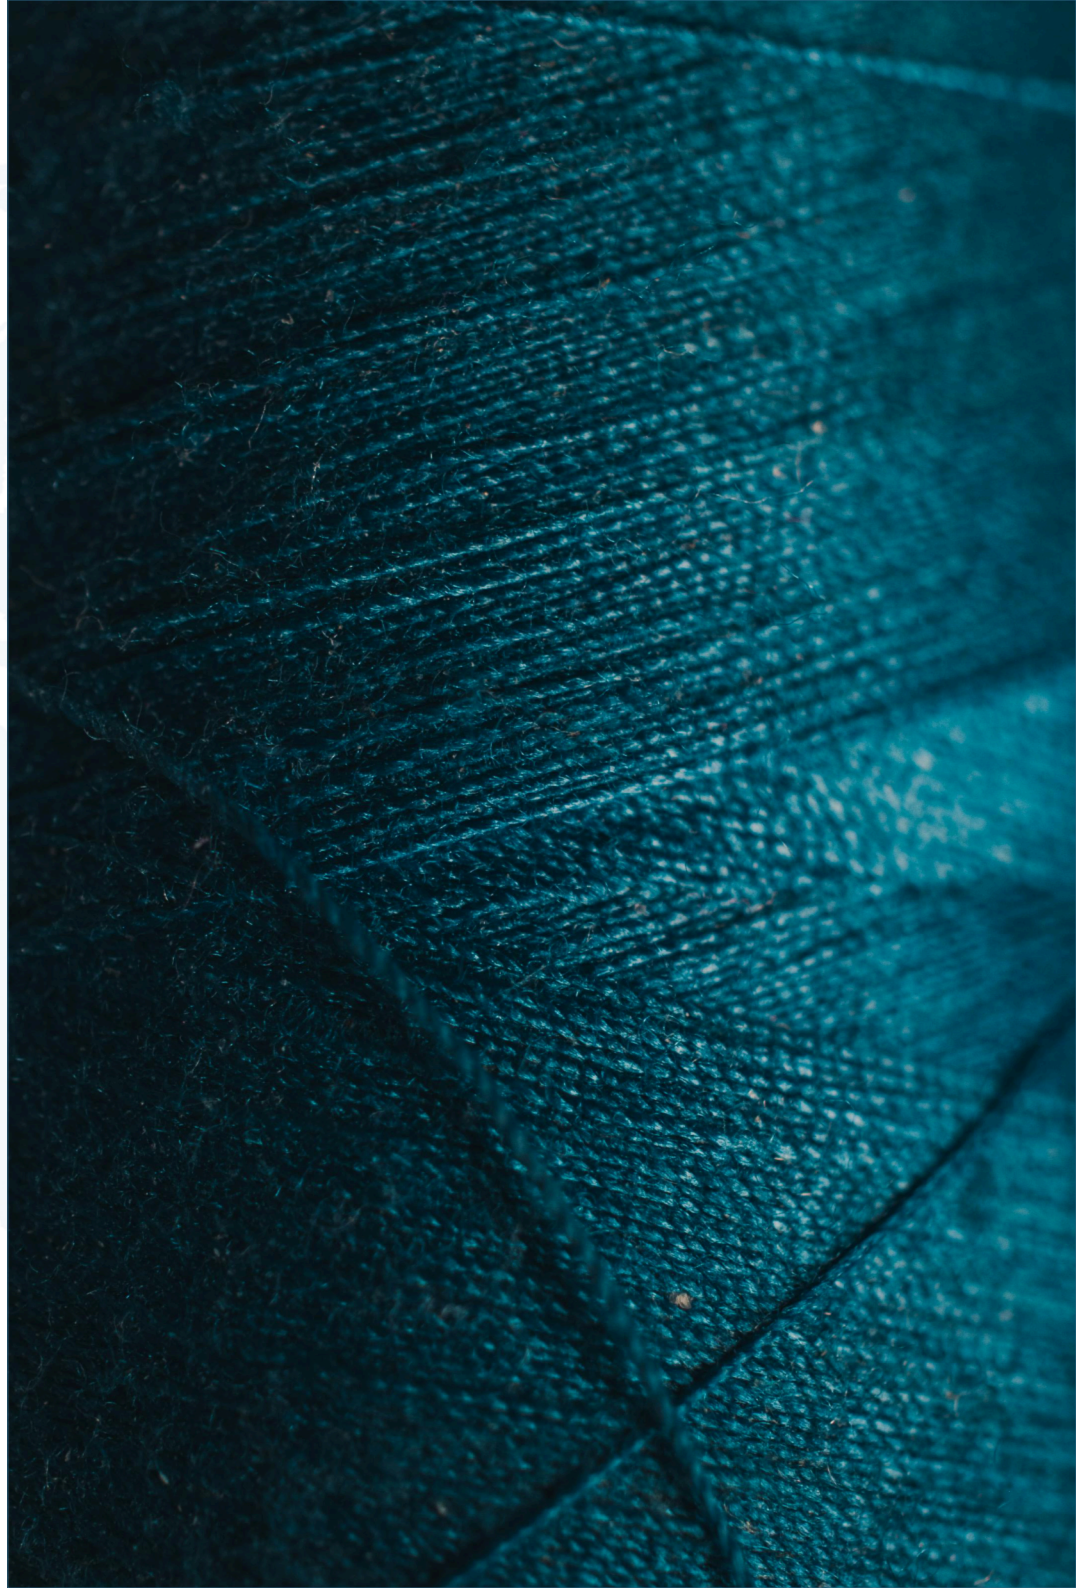

RELSY EXIM

"Partnership Beyond Borders"

ABOUT US...

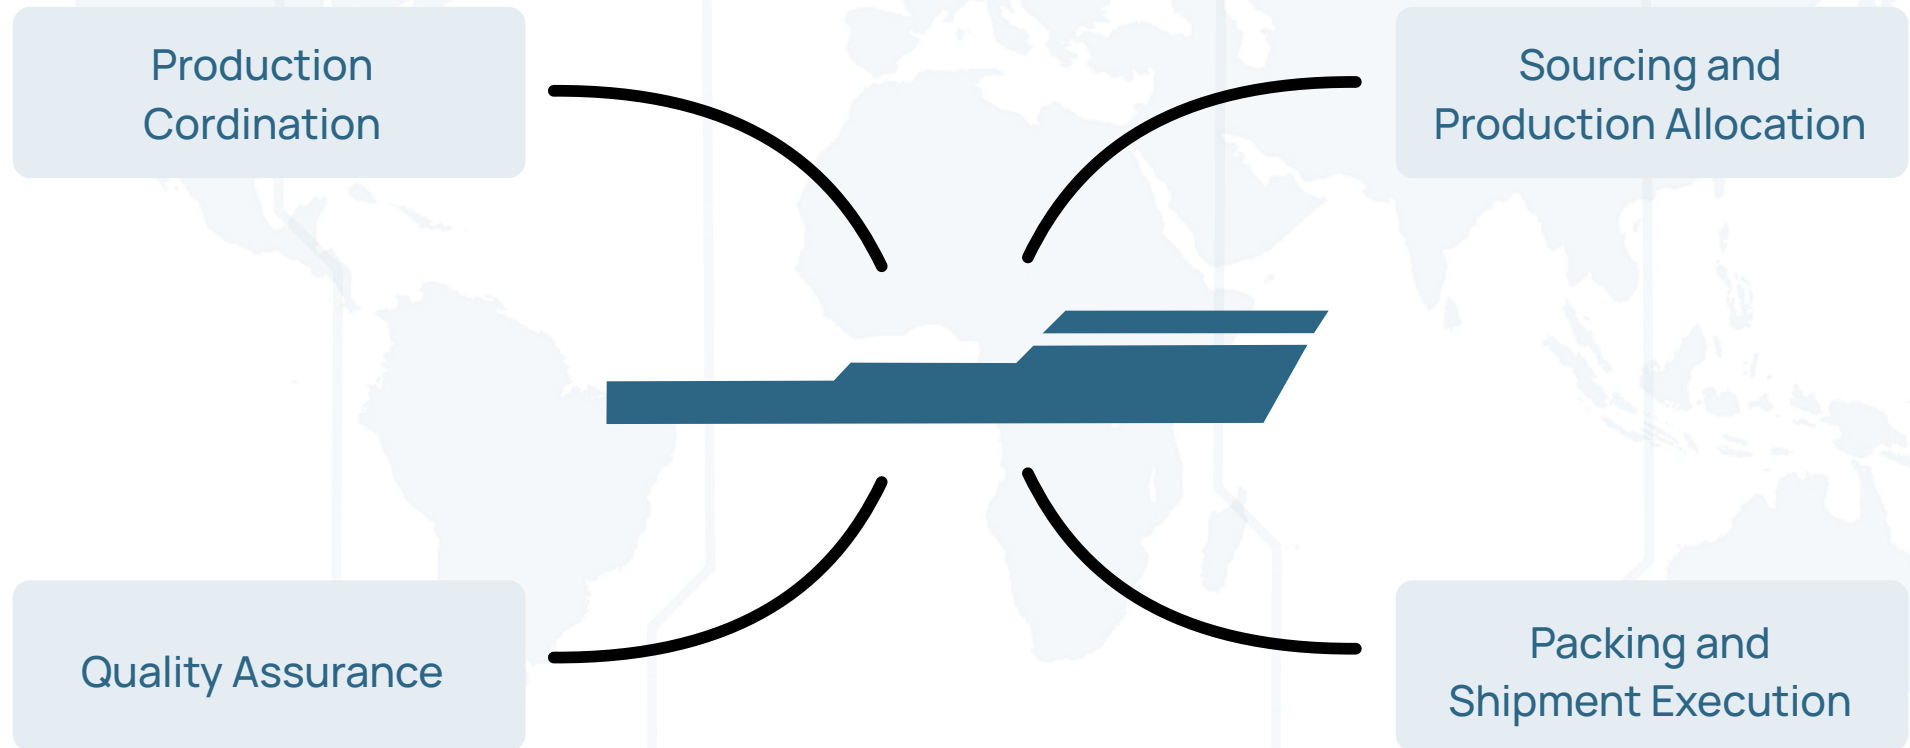

RELSY EXIM

- We are a merchant exporter based in India .Our firm Relsy Exim is a growing clothing export company.
- We deal in high quality knitwear like t-shirts, joggers, hoodies, etc.
- We are committed to providing global buyers with superior-quality apparel backed by a smooth and dependable supply chain.
- We understand that sourcing from multiple suppliers often increases risk, cost, and uncertainty for international buyers.
- Our goal is to simplify this process by acting as your trusted single partner, delivering products that meet global standards with consistency, transparency, and reliability.

WHAT WE DO...

At Relsy Exim, we operate as a merchant exporter of ready-made garments, taking full responsibility for sourcing, execution, and delivery of apparel orders for international buyers.

OUR PRODUCTS

Our product range includes ready-made garments manufactured using high-quality, export-grade fabrics and reliable production processes. We offer a wide selection of fabric types, dyes, washes, and finishes, along with customization options in fit, detailing, trims, and packaging to meet specific buyer requirements. All garments are produced through verified manufacturing partners and monitored under strict quality control to ensure consistency, durability, and compliance with international market standards.

“We do not keep ready stock and operate on a made-to-order basis. Production begins only after we receive your confirmed purchase order.”

Round Neck t shirts

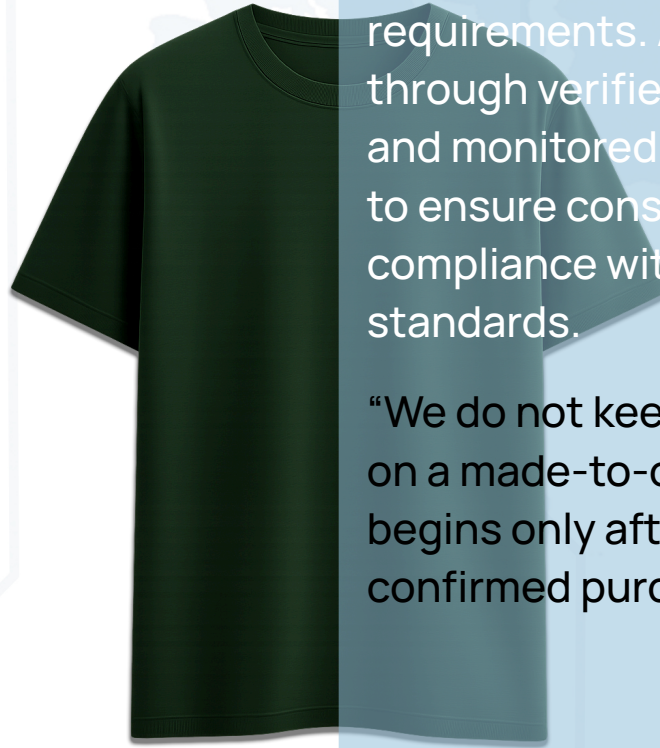

Hoodies

Polo T shirts

Joggers

Oversized Tshirts

OUR PROCESS

Our sales process is designed to be simple and transparent, ensuring full visibility into quality and a smooth, hassle-free buying experience.

1. Buyer Requirement Understanding

We begin by carefully reviewing the buyer's requirements, including product specifications, quality standards, quantities, pricing expectations, and delivery timelines.

2. Feasibility and Cost Evaluation

Each enquiry is evaluated for sourcing feasibility, production capability, cost efficiency, and delivery commitment to ensure realistic and competitive execution.

3. Price Finalization and Order Confirmation

We begin by carefully reviewing the buyer's requirements, including product specifications, quality standards, quantities, pricing expectations. After detailed costing, a final price is shared with the buyer. Upon mutual agreement, order details are finalized and confirmed., and delivery timelines.

6. Bulk Manufacturing

Production is carried out under close monitoring to maintain quality standards and adhere to agreed timelines.

5. Sample and Pre-Production Alignment

All styles, fabrics, colors, sizing, trims, and packaging details are confirmed prior to bulk production to ensure accuracy and consistency.

4. Supplier and Production Coordination

We partner with trusted garment manufacturers and suppliers, sharing precise specifications and aligning production schedules to meet buyer expectations.

7. Quality Control

Finished garments undergo thorough inspection to ensure compliance with buyer specifications and international quality standards before dispatch.

8. Packing and Labeling

Garments are packed and labeled according to buyer and destination market requirements to ensure safe handling and smooth logistics.

9. Delivery and Buyer Support

We provide shipment updates and post-delivery support to ensure buyer satisfaction and long-term partnerships.

FABRIC AND FINISHES

We provide our customers with a wide range of customization options to translate their product concepts into finished garments. From fabric selection and GSM choices to dyeing methods, washes, and surface finishes, we offer multiple options at each stage of production.
